

SPN ACT Progress Update & Evaluation next steps

St. Paul Neighborhood Coalition – *ACT on
Alzheimer's Initiative*

Deborah Paone, Evaluator

February 27, 2014

Update

- Document review – meeting materials, surveys
- Key informant interviews – Fall 2013
- Report development to document 2013 work – just completed
 - Used the ACT on Alzheimer’s Framework -
 - “Convene, Assess, Analyze”

Coming Up: SurveyMonkey® short (5 to 8 minutes) survey on the process & SPN ACT group self-assessment

Information for the Evaluation –

Qualitative Information

- Key informant interviews
- Minutes & progress updates, e.g, workplan milestones acheived
- Brief survey through SurveyMonkey®
- Other . . .

Quantitative Info & Measures

- # of people involved
- # and type of organizations/agencies engaged
- # of “outputs” produced and distributed
- Other . . .

Questions on the SPN ACT group self-survey to be sent	Yes Always 5 4 3 2 1 No Never				
Purpose/Focus I am clear on the purpose for the St. Paul Neighborhood ACTION Community work.	5	4	3	2	1
Organization/Structure of the Team's work The organization and structure supporting the team's work for SPN-ACT is effective.	5	4	3	2	1
Resources a.) The SPN-ACT initiative has the right resources to accomplish its work. b.) Resources available are used wisely.	5	4	3	2	1

Adapted from: Vincent Francisco, Jerry Schultz, Stephen Fawcett and from Tom Wolff, contributors in *Evaluating Community Collaboratives*. Thomas E. Backer, Ed. NY, NY: Springer Publisher. 2003.

	Yes				No
	Always				Never
	5	4	3	2	1
Group Participation & Decision-making There is an openness and opportunity for involvement in meetings and decisions within the SPN-ACT initiative.	5	4	3	2	1
Communication a.) The existing communication channels and methods are sufficient in providing information about SPN-ACT activities and progress.	5	4	3	2	1
b.) I feel informed.	5	4	3	2	1
Outreach There has been good representation of people and organizations involved in SPN-ACT.	5	4	3	2	1

Effectiveness

a.) The SPN-ACT work and activities are yielding plans that we can act upon together.

5 4 3 2 1

b.) I believe our collective work is having an impact.

5 4 3 2 1

Collaborative Group Strength

This is a collaborative that does not depend on one person or organization for sustaining the momentum.

5 4 3 2 1

Commitment

I am committed to staying involved in the SPN-Act work as it moves forward.

5 4 3 2 1

Confidence

I am confident that our group will make progress in the next year toward our goals.

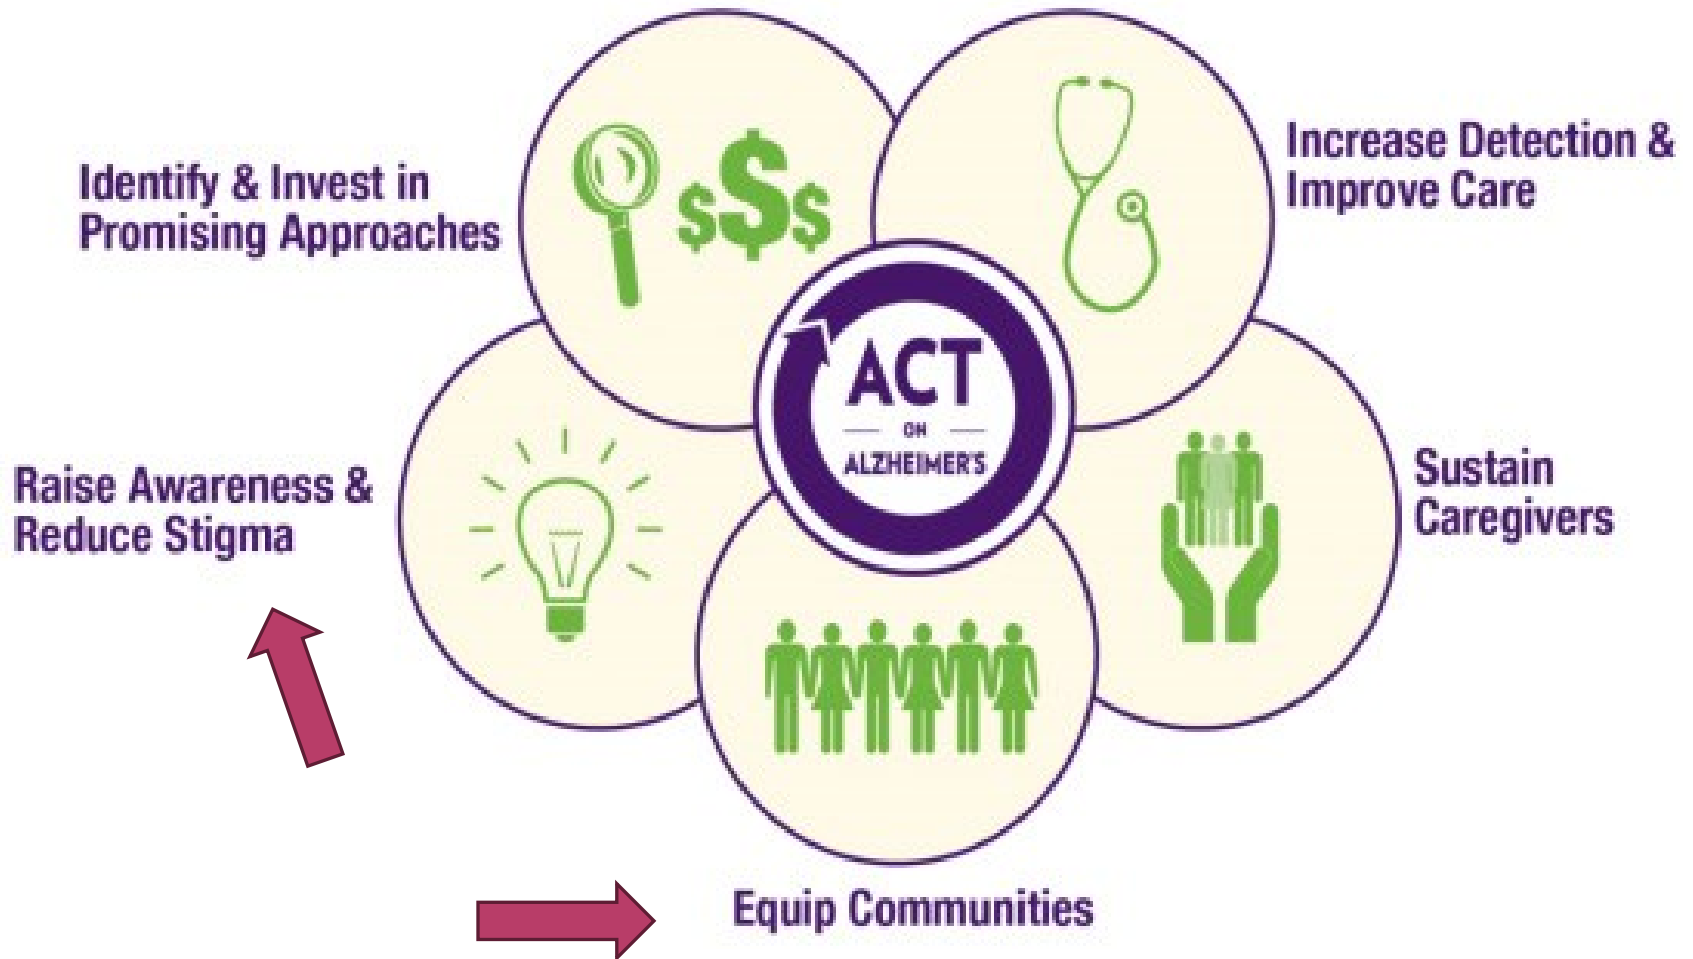

5 4 3 2 1

Indicators of Impact/Progress – Next Steps

- Action toward Key Priority Area - Community undertaking defined/scoped efforts to foster dementia capability*
- Results observed  What do we expect to see from these action items – What has changed as a result of our efforts in the St. Paul neighborhoods? How can we document this and tell the story?

* 2 action items: local resource packets, and Dementia companions

Goals for ACT on Alzheimer's Initiative
