DEMENTIA FRIENDLY COMMUNITIES EVALUATION GUIDE

MEASURING OUR SUCCESS
CREATING A PLAN: FIVE STEPS

Step 1: Form an Evaluation Team

Step 2: Identify Activities to Evaluate
89% of respondents believe that dementia is a normal part of aging

50% of respondents agree that they are motivated to get to know people with dementia better
**Goal**
Engage with local law enforcement agencies to identify opportunities for collaboration.

**Activity**
Offer virtual dementia education webinar with PAC specific to law enforcement.

**Target Audience**
Local Law Enforcement officers.

**Outputs**
25 local law enforcement officers will participate in virtual training.

**Outcomes**
Local law enforcement officers will self-identify an increase in dementia awareness and knowledge and a comfort in interacting with an individual living with dementia.

**Method**
Survey Monkey before and after training using NADRC Brief Tool for Dementia-Friendly Education & Training for Sector Trainings
